BAPTIZED AT AGE 100

We, the membership of the Gladstone Baptist Church, share with great delight the acceptance of Jesus Christ and Baptism of Mr. James Kearns. On Sunday afternoon, August 1, at 4:00 at the Liberty Chapel Baptist Church Mr. James Kearns was baptized. Mr. Kearns is 100 years old. He is now a member of the Gladstone Baptist Church officially. God has richly blessed him to live for a century and he has surrendered himself to the Lord.

Pictured above is Mr. Kearns and his pastor, Rev. J. N. Williams.

PEARS & PLUMS

There are many varieties of plums. They are of two general types - the Japanese, which are generally medium to large in size, red or yellow in skin color and very juicy; and the European, which are blue or purple, medium-sized, mild in flavor and firm textured. These are called damsons.

Plums vary greatly in tartness from one variety to another. When plums yield to gentle pressure, they are ready to use. Slight softening at the tip is also a good sign of maturity.

CANNING PLUMS

Wash plums. To can whole, prick skins. Freestone varieties may be halved and pitted.

Pack raw plums in jars or heat plums in syrup before packing. Cover with boiling syrup. A thin syrup is made with 2 cups sugar and 4 cups water or juice. A medium syrup has 3 cups sugar; a thick syrup 4⅔ cups sugar. Leave ½-inch headspace. Remove air bubbles by running spatula or knife between food and jar. Adjust jar lids.

Process in boiling water bath canner (212°F.)

Pint jars	20 minutes
Quart jars	25 minutes

PEARS

The Kieffer pear is large and attractive but must be harvested and ripened properly to be of good quality. The fruit may be harvested after it has reached two-thirds to three-fourths full size. Ripen by holding pears at 60° to 65°F. for 2 to 3 weeks. The softened pears may be eaten raw, be canned, made into preserves, or frozen; although frozen pears are not as high in quality as many other fruits.

Anjou, Bosc, and Comice are winter pears.

CANNING PEARS

Wash pears. Peel, cut in half and core. To prevent darkening, use crystalline ascorbic acid or a powdered ascorbic acid mixture.

Use a thin, medium, or heavy syrup to suit the sweetness of the fruit and family preference. A thin syrup (30 per-cent) is made with 2 cups sugar and 4 cups water. Increase sugar to 3 cups for a medium syrup (40 -percent) and to 4¾ cups for a heavy syrup (50-percent). Sugar improves the flavor and texture of canned pears but can be omitted.

RAW PACK Pack raw pear halves in jars. Cover with boiling syrup, leaving ½-inch headspace. Remove air bubbles by running spatula or knife between jar and food. Adjust jar lids.

Process in boiling water bath canner (212°F.)

Pint jars	25 minutes
Quart jars	30 minutes

HOT PACK Heat pear halves in syrup. Pack hot pear halves in jars. Cover with boiling syrup, leaving ½-inch headspace. Remove air bubbles by running spatula or knife between jar and food. Adjust jar lids.

Process in boiling water bath canner (212°F.).

Pint jars	20 minutes
Quart jars	25 minutes

FREEZING PEARS

Heat pear halves in boiling 40-percent syrup for 1 to 2 minutes. Drain and cool. Pack cooled pear halves into containers and cover with cold syrup. Put a piece of crumpled waxed paper on top of pears to hold them under the syrup.

Seal. Freeze; store at 0°F. or below.

RECIPE OF THE WEEK

PLUM JAM with powdered pectin

6 cups crushed plums (about 3½ pounds plums)
1 pkg. powdered pectin
8 cups sugar

Wash fully ripe plums, cut into pieces, and remove pits. Crush the fruit and measure into a large kettle. Add the pectin and stir well. Place on high heat and, stirring constantly, bring quickly to a full rolling boil.

Add the sugar, continue stirring, and heat again to a full rolling boil. Boil hard for 1 minute. Remove from heat; skim off foam quickly. Pour hot jam into hot sterile jars leaving ¼-inch headspace. Wipe jar rims clean, place metal lids on jars, screw metal bands down firmly and stand jars upright to cool.

Bible Baptist Church Sets Vacation Bible School

Bible Baptist Church will be hosting its Vacation Bible School, Monday through Friday, Aug. 16-20 at 7 p.m. each evening.

The theme for the week will be, "Looking Unto Jesus", this theme being taken from Heb. 12:2. This theme will be broken down into several parts, covering one point each night. The parts to be covered are Looking Unto Jesus for: Faith, Love, Happiness, All your need, and Your Glorious Eternity.

The students will be encouraged to memorize verses related to the theme for each lesson. The main desire is to teach the young people more about Jesus Christ and His word.

Along with the lessons there will be crafts for the young people to work on. There are several different crafts and everyone should get a chance to work on more than one craft.

Refreshments will be served each evening. The ladies of the church will be in charge of the refreshments, and will be certain to provide refreshments that all will enjoy.

On Saturday, there will be a church-wide picnic at 5 p.m. Members will be bringing weiners and the extras, with the church providing the buns and the drinks. There will be plenty of activities with volleyball, horse shoes, softball, badminton, and more. All are invited to attend.

Then on Sunday night, all the parents, relatives, and friends of the children in Vacation Bible School will be invited to the evening worship services at 7:30 p.m. The young people who were enrolled in V.B.S. will be providing an informative program concerning the things they have learned during the week. On Sunday night, "Awards of Merit" will be presented to those who have earned the award because of their work and faithfulness in V.B.S.

The young people and adults of the community are invited by the pastor and members of Bible Baptist Church to join in this week of, "Looking Unto Jesus."
